

Activities of Central Government Pensioners' Welfare Association, J&K, Jammu.

Highlights of Week Ending December 14, 2015:

- **Power Point Presentation on Pension In 7CPC Perspective by Shri R.L.Kampasi, Retd Sr. Audit Officer, IA&AD:** Shri.Kampasi made a Power Point Presentation on Pension related issues with reference to Seventh Central Pay Commission recommendations.
- He elaborated on two methods of pension calculation: 1) By multiplying Basic Pension of 6CPC by factors of 2.57 (For Grade Pay of 1800 . 2800 & 8700), 2.62 (For Gr. Pay of 4200 . 5400 in Pay Band-II), 2.67 (Gr. Pay 5400 in Pay Band-III, 6600, 7600, 8900), 2.72 (For Gr. Pay 10000 & HAG) 2.81 for HAG+ and 2.78 for Cabinet Secretary/ Services Chiefs. The variable multiplying factors have been evolved by 7CPC with a view of rationalization of salary/pension. 50% of the amount thus arrived shall be the revised pension.
- Second method of calculation: All personnel will be first fixed in the pay matrix at entry level. This amount shall be raised by adding number of increments earned in that level while in service, @ 3% each year. 50% of the total so arrived shall be the revised pension.
- The pensioner will get the pension whichever is beneficial.

- **Preparations for Celebration of National Pensioners' Day on 17th Dec., 2015:** Preparations for the Function were continued and the venue at IIM, Canal Road, Jammu visited by team of the Association viz.
